Strategic report

«The Board of Directors notes with satisfaction that despite the unprecedented difficult conditions for fleet operations throughout 2020 arising from the serious restrictions due to the COVID-19 pandemic, Sovcomflot has fulfilled its obligations towards its customers. Record results were achieved on a number of key operating and financial indicators. The Company continued to consistently implement its strategic development plans and significantly strengthened its position in the key business segments, primarily the LNG shipping segment.»

Sergey Frank,
Chairman of the PAO Sovcomflot
Board of Directors
